Barrels pork 2,500 3,000 1,000

or set satisfactors to each barrel, exclusive of a pickle, to be made from freels water as strong as salt will make it, and must be perfectly bright and claimst contain full 200 pounds net weight of beef or pork, and no excess of weight in either article will be paid for.

The barrels must be cutirely new, and be made of the best scanoted heart of white-oak stayes and headings; the stayes to be not less than five-eighths of an inch thick, and the headings not less than five-eighths of an inch thick, and the headings not less than five-eighths of an inch thick, and the headings not less than five-eighths of an inch thick, and the headings not less than five-eighths of an inch thick, and the headings not less than five-eighth inch in width ou each bilge, and one of one and an eighth inch in width ou each bilge, and one of one and an eighth inch in width ou each bilge, and one of one states the eighth inch in width ou each bilge, and one of one and an eighth inch in width ou each bilge, and one of one states the way galous, and the fron hoops must be well painted with red lead.

Such barrel must be branded by burning on its lead "Navy Beef," or "Navy Fork," as the case may be, with the contractor's name and they year yihen packed, and weight; and shall also be branded on the bung stave with the letter B. or P., as the case may be.

The beef and pork will, unless otherwise directed by the chief of this bureau, bu inspected by the inspecting officers at the respective mayy-yards aforesaid, and by some "sworn inspector of salted provisions." We won will be selected by the inspecting officers at the respective mayy-yards aforesaid, after inspection, and at their own expense.

The or more approyed sureties in a sum equal to one-half the estimated amount of the contract will be respective foundaries as careful to the withheld from the amount of each payment to be made, as collateral security for the day and faithful performance of the respective courtracts, which will on no gaccoupt be paid until the hourands are compli

mented to the navy access, respectively, any approximation to the navy access, respectively, according to the terms of the contract.

The parts of bod to be excluded will be particularly designated in the engraving to be attached to the contract. Parsons interested can obtain them on application at this office.

Hidders whose proposals are accepted (and none others) will be forthwith notified, and as early as practicable a contract will be transmitted to them for execution, which contract must be returned to the burean within ten days, exclusive of the time required for the regular transmission of the male. A record, or duplicate of the letter informing a highler of the acceptance of als proposal, will be desented a notification thereof, giftin the meaning of the act of 1846, and his bid will be made and accepted in conformity with this understanding.

Every offer made must be accompanied (as directed in the 6th nection of the set of Congress making appropriations for the naval service for 1846-47, approved. 10th of August, 1846) by a written guarantee, signad by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, it his or their bid be accepted, enter inpla accessing and with the careful and any, with good and sufficient surveice, to furnish the article proposed.

This guaranteer must be accessing nickly by the certificate of the United States district judge, United States aljstrict autorney, or navy agent, that the guaranteer sea be considered unless accompanied by such guarantee.

The bidder's name and residence, and the name of each member of

The bidder's name and residence, and the harmo of each memory of the firm, where a company offers, with the Christian names written in full, must be distinctly stated.

Under the joint resolution of Congress, approved 27th March, 1854, "all bids for supplies of provisions, clothing, and small stores for the may, may be rejected at the option of the department, made by one not known as a manufacturer of, or regular dealer in, the article proposed to be furnished, which fact, or the reverse, must be distinctly saying in the bids offered."

FRANCE TAYLOR Proposals for Naval Supplies.

wift to desirable to make application for them.

Offers must be made for the whole of a class stany yard upon one of the printed schedules, or in strict conformity therewith, or they will into be considered.

All articles must be of the very best quality, conformable to sample, size, &c., to be delivered in good order, and in suitable vessels and packages, as the case may be, at the expense and risk of the contraction, and in all respects subject to the inspection, measurement, count, weight, &c., of the yard where received, and to the entire satisfaction of the commandant thereof.

Ridders are referred to the yards for samples, and a particular description of the nrticles; and, all other things being equal, preference will be given to articles of American manufacture.

Every offer, as required by the law of 10th August, 1846, must be accompanied by a written guarantee, the form of which is horewith given.

Those only whose offers may be accepted will be notified, and the contract will be forwarded as soon thereafter as practicable, which they will be required to execute within ten days after its receipt at the post office or navy agency named by them.

Sureries in the full amount will be required to sign the contract, and their responsibility certified to by a United States district judge, United States district attorney, collector, or navy agent. As additional security yards, will be paid by the navy-agent within thirty days after its presentation to him.

It is stipulated in the contract that, if default be made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for in this contract, of the quality and at the time and places above provided, then, and in that case, the contractor and his surcties will forfeit and pay to the United States as un of money not exceeding lwice the amount of such class, which may be recovered from time to time, according to the act of Congress in that case provided, approved March 3, 1843.

Clances Nos. 1, 2, 4, 6, 7 to be delivered

I, of his hard of the contract of the state of his page to furnish and deliver, in the respective navy-yards, all the articles named in the classes hereunto annoved, agreeably to the provisions of the schedules therefor, and in conformity with the advertisement of the Bureau of Construction, &c., of the 23d of May, 1857. Proposals for Fuel.

QCARTRIMATER'S OFFICE MARKS CORPS.

Washington, May 16, 1857.

SEALED PROPOSALS will be recapived at this office until Monday, the 18th June, 1857, for supplying such quantities of wood and coal as may be required from 1st July, 1857, to 30th June, 1858, for the martines stationed at Washington city, D. C.

The wood to be best oak sapling, and the coal best authracte. The wood to be delivered piled and measured and the coal weighed and delivered at such points as the commanding officers of the stations may direct, free of expense to the United States; the coal to weight 2,340 pounds to the ton. Further information can be had on application at this office.

Proposals to be addressed to Major G. F. Lindsay, Q. M. M. C., and emforsed "Proposals for fuel for marines at Washington, D. C."

The Intelligencer, Star, and States will publish the above typice a week till 18th June, 1857, and send bill, with copy of advertisement, to this office for payment.

Notice

If the Establishment of three additional Land Offices in the Territo of Nebraska.

of Nebraska.

In pursuance of the act of Congress approved March 3d, 1857, entitled "An act to establish three additional hand districts in the Territory of Nebraska," to be called, respectively, the "Nexana Laxo Berner," the "Sovan Parra Rayas Laxa Desmur," and the "Daxora Laxo Desmur," it is hereby declared and made known that the offices for said districts have been established as follows, viz:

own, viz:
For the "NEMARA LAND DISTRICT" at Brownsyllie,
For the "SOUTH PLATTE DISTRICT" at Nebraska City,
For the "SOUTH PLATTE DISTRICT" at Nebraska City,
Given under my hand, at the city of Washington, this thirtee

MPORTANT TO COTTON PLANTERS, by which their mounts must be doubled.—The undersigned has invented and obtained letters patent from the United States for the arrangement and combination of machinery for converting seed rotton into yarns by one continuous process, from the gin through the various preparation and spinning machinery, until it is ready for ship-

rious preparation and spinning machinery, until it is ready for supmont or weating.

The aveing from waste by this process will be at least ten per cent;
and yarus made from the fibre (unbroken and uninjured by the operations of the machinery of the present process need to open and disentangle it) will be about fifty per cent; stronger and heavier, and
will command the markets of the world, distancing all competition at
advanced prices.

The undersigned is prepared to dispose of privileges to use his
patent; and planters will be informed as to terms, with complete instructions how to use it, how to obtain the best machinery, and all
other necessary particulars, on application addressed to ther necessary particulars, on application addressed to Dec 6—2awly if GEORGE C. HENRY, Mobile.

SEALED PROPOSALS for delivering 50,000 cubic bot of promiscones live each in each of the may yards at Charlestown, Massachusetta; Brooklyn, New York; Philadelphia, and at Geoport, Virginia, with 9e received at this bureau until the 10th June,

contract, and, as additional and collateral security, 15 per cent. will be withheld on the amount of each delivery until the contract is completed.

In all the deliveries of this timber there must be a due proportion of the most difficult and crocked pieces, otherwise there will be withheld such further amount, in addition to the 15 per cent, as may be judged expedient to secure the public interest until such difficult portions be delivered. The remaining 85 per cent, or other proportion of each bill, when approved in triplicate by the contractor may name within thirty days after its presentation to him.

It will be subplated in the contract that if default be made by the parties of the first part in delivering all or any of the timber anmed of the quality and at the time and place provided, then and in that case the contractor and his survives will forfest and pay to the United States a sum of money not exceeding twice the total amount therein agreed upon as the price to be paid in case of the actual delivery thereof, which may be recovered from time to time, according to the act of Congress in that case provided, approved March 3, 1843.

The 50,000 cubic feet to be delivered in each yard will be in the following proportions—say 8,000 cubic feet of keskons, and sciences suitable for lower stems, stern posts, atera-post knees, fore deadwood, aproved, all siding 18 and 20 inches, and hooks thing 18 and 16 inches. Those pieces to be in number in the proportions in which they enter into the construction of a ship-of-war, conforming substantially in shape, length, and character with those herecisfore received with traines of corresponding siding of 3 and 15 inches, in about equal quantities of each, and 5,000 cubic feet of the siding of 12 inches; all these pieces being in length from 13 to 17 feet, having a natural and fair curve of from 15 to 30 inches or more in that length; and two-thirds the number of the pieces to have from the mean to the manifum crock; also, 5,000 cubic feet of or siding of 12 inches; all t

I, of the State hereby agree to furnish and deliver at the United States navy-yard at affly thousand enbic feet of live-oak timber, in conformity with the advertisement of the Bureau of Construction of the date of May 2, 1857, viz.

s,000 cubic feet, suitable for principle pieces, sided 18 and 20 inches, at per feet.

s.000 onbic feet, smitable for principle pieces, sides 15 and 25 met.

32.000 cubic feet curved timber, sided 13 and 15 inches, length 13 to 17 feet, at — per foot.

5.000 cubic feet curved timber, sided 12 inches, length 13 to 17 feet, at — per foot.

5.000 cubic feet timber, siding 13 and 15 inches, length 17 to 20 feet, at — per foot.

Total value.

Should my offer be accepted, I request to be addressed at and the contract forwarded to the navy agent at — , or to me at the contract forwarded to the navy agent at A. B.

I hereby certify that the above-named CD and EF are known on as men of property, and able to make good their guarantee. me as men of property, and able to make good their guarantee.

## Washington Aqueduct.

OFFICE OF THE WASHINGTON AGENCER, Washington, March 5, 1857.

PROPOSALS are invited for materials and work

for the Washington squeduct.

Troposcals received up to 7th May will be opened at noon of that day.

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace masonry of some of the bridges, graduation, excavation, and embaukment of reservoirs, fron pipes connected with the reservoirs, 12-inch iron main, gate bouses, bricks, sand, rubile, land pai same, 4a:

For the particular viories and majorials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the present appropriation so ply of some of the works to be done and rate of progress under each contract for each appropriation; and in case of the appropriation to holding out sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ion per cent, will be paid, if, in the judgment of the engineer, size your has feed in properly executed so in as it has gone.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent, will be paid their full wages monthly, and in specie.

All bids should be scaled, and endorsed "Propeals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conductive to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsable persons, to the effect that he or they under-

guarantee.

Hids will be opened in presence of bidders, if any of them choose to be present.

Cupt. of Engineers, in charge.

FORM OF GUARANTEE.

To Capt. M. C. Meigs, U. S. Engineers.

We, the undersigned, residents of \_\_\_\_\_, in the State of \_\_\_\_\_, hereby, jointly and severally, covenant with the United States, and guaranty, in case the foregoing bid of \_\_\_\_\_\_ be accepted, that he or they will, within the days after the acceptance of the said bid, execute the centract for the same, with good ands ufficient sureties to perform or furnish the articles proposed in conformity to the terms of the advertisement under which it was made. And it case the said \_\_\_\_\_ shall fail to enter into contrast as uforesaid, we guaranty to make good the difference between the offer by the said \_\_\_\_\_ and the next lowest bydefer.

(Signed) A. B.

(C. D.

I hereby certify that, to the best of my knowledge and belief, the bove-named guaranters are good and sufficient.

(Signed)
